

## 1337 VENTURES

---

1337 Ventures is **Malaysia's first accelerator**, pioneering Design Sprint and Thinking, the same methodology used by S&P500 companies such as Google and Apple. 1337 Ventures also functions as a venture capital, investing into companies that they accelerate in. Being a private fund, 1337 Ventures commits an investment amount of up to **one million ringgit every year to early stage startups**, investing off its own balance sheet into early stage startups. To date, 1337 Ventures has **accelerated over 500 startups across 6 different countries**, and **invested over MYR \$2 million in startups with follow up funding of over MYR \$15 million** with several exits. 1337 Ventures have worked with many GLCs and MNCs throughout the years, such as Bank Negara Malaysia, Khazanah Nasional, MDEC, and CIMB Bank, **conducting accelerator programmes** with them, and **consulted in their innovation journey**.

Most recently, 1337 Ventures is in the midst of becoming Malaysia's, and potentially Asia's, first **Centre of Excellence for Accelerators**, with a two-prong approach of helping companies innovate, and catalyze early stage startups in Malaysia. As part of this initiative, 1337 Ventures is creating a set of tools to enable this process, which includes a plethora of an online, **fully digitalised set of tools and canvases**, video modules on current trends and Startup 101, and finally, a tracking mechanism for not only startups to manage their KPIs and numbers, but for VCs and corporates to **track the startup's growth and mentor them remotely**.

Some of 1337 Ventures' successful graduates include **Funding Societies and Coins.ph**, which was recently acquired by GoJek for \$72 million. Other successful acquisition includes **Gigfairly, EatCakeToday, and most recently, AnyPay**. Some of 1337 Ventures' recent investments include **Senang, Malaysia's first on-demand insurance** that achieved over MYR 90 million sum insured in just 3 months, and **DokkuPay, that has given over 1.2k users** without a credit card instalment options.
